DAY TWO

Fantasea Great Barrier Reef Cruise

The Great Barrier Reef is a living phenomenon. The reef's coloured branches sit upon banks of limestone polyps, which have been built up slowly over thousands of years from the seabed. The colours of purple, pink, yellow, white and red are intermixed and made more startling by the spectacular shapes of the coral. Spread among these waving fields of soft coral is colourful anemones, shellfish, sea urchins and sea slugs. Brightly coloured tropical fish glide and dart through the coral gardens and the banks of the coral are separated by channels of water, from the delicate green of the shallows to the deepest blue.

For an adventure packed day, today a friendly crew on a non-exclusive chartered cruise will take you to a reef at the very edge of Australia's Continental Shelf, to an underwater world that is a dazzling kaleidoscope of colour and brilliance. Upon boarding you will be served morning tea, and once departed from the marina are taken to the pontoon at the Reef, a magnificent ribbon reef where you will experience first hand the magic that is the Great Barrier Reef.

You may swim, try snorkelling, all the equipment is on board, drift through the coral in a glass bottom boat or semi-submersible, or try the waterslide into the ocean. The pontoon is shaded from the sun with tables and chairs. An underwater observatory is located on the pontoon. A delicious smorgasbord lunch is included.

* Optional: For a truly unique experience stay overnight at Reef world. With exclusive private time to explore the reef once the day- trippers have departed, come face to face with schools of colourful reef fish and be amazed at the coral formations as you snorkel through the reef edge on your own. Witness the spectacular transformation as the marine life comes alive after sunset from the comfort of the underwater viewing chamber. The package includes 1 night's accommodation, alfresco dinner, two buffet lunches and one full breakfast – it will be one of the most memorable things you'll ever do.

* Note: Please remember to take a towel, swimming attire, a hat, sunscreen and your camera.
